About This Game

Yet Another Zombie Defense is all about defending yourself against hordes of undead attacking you every night. However, when you're the only survivor struggling against waves of enemies who are getting stronger and stronger, your end is inevitable. The only important question is how long can YOU survive?

The game is a top-down arcade zombie shooter with strategy elements. You're able to choose from variety of weapons to mount them onto auto turrets and set up defensive barricades to stay alive as long as you can. It's for gamers who like to put their skills to the test, find optimal strategy, and reach the highest spot on leaderboards! It also features online co-op mode, where you can blast zombies with up to three friends as well as player vs player deathmatch mode!

HD Remastered version is available!
